- ENTHUSIASTIC to go on a SPECIAL JOURNEY to Sardinia (Italy) with other INSPIRING PEOPLE creating IMPACT?

...THEN JOIN US ON THE LEADERSHIP FROM WITHIN PROGRAM!

PROGRAM AND APPROACH:

A 5-day training program during a 7-day stay at the astonishing surroundings of lush Mediterranean nature, overlooking the crystal clear sea. Dive deep into the mechanisms of the human brain and investigate our perceptions. Let go, build trust and take initiatives. Turn new understandings and experience into action by learning to lead ourselves and our life. Combine theory and practice, use storytelling, experiential learning and mindfulness, to become fully aware of attitudes and behaviours. Start making conscious choices and behavioural changes in your personal and professional life, increasing your impact on the people around you and in today's society.

'Yesterday I was clever, so I wanted to change the world. Today I am wise, so I am changing myself.'
